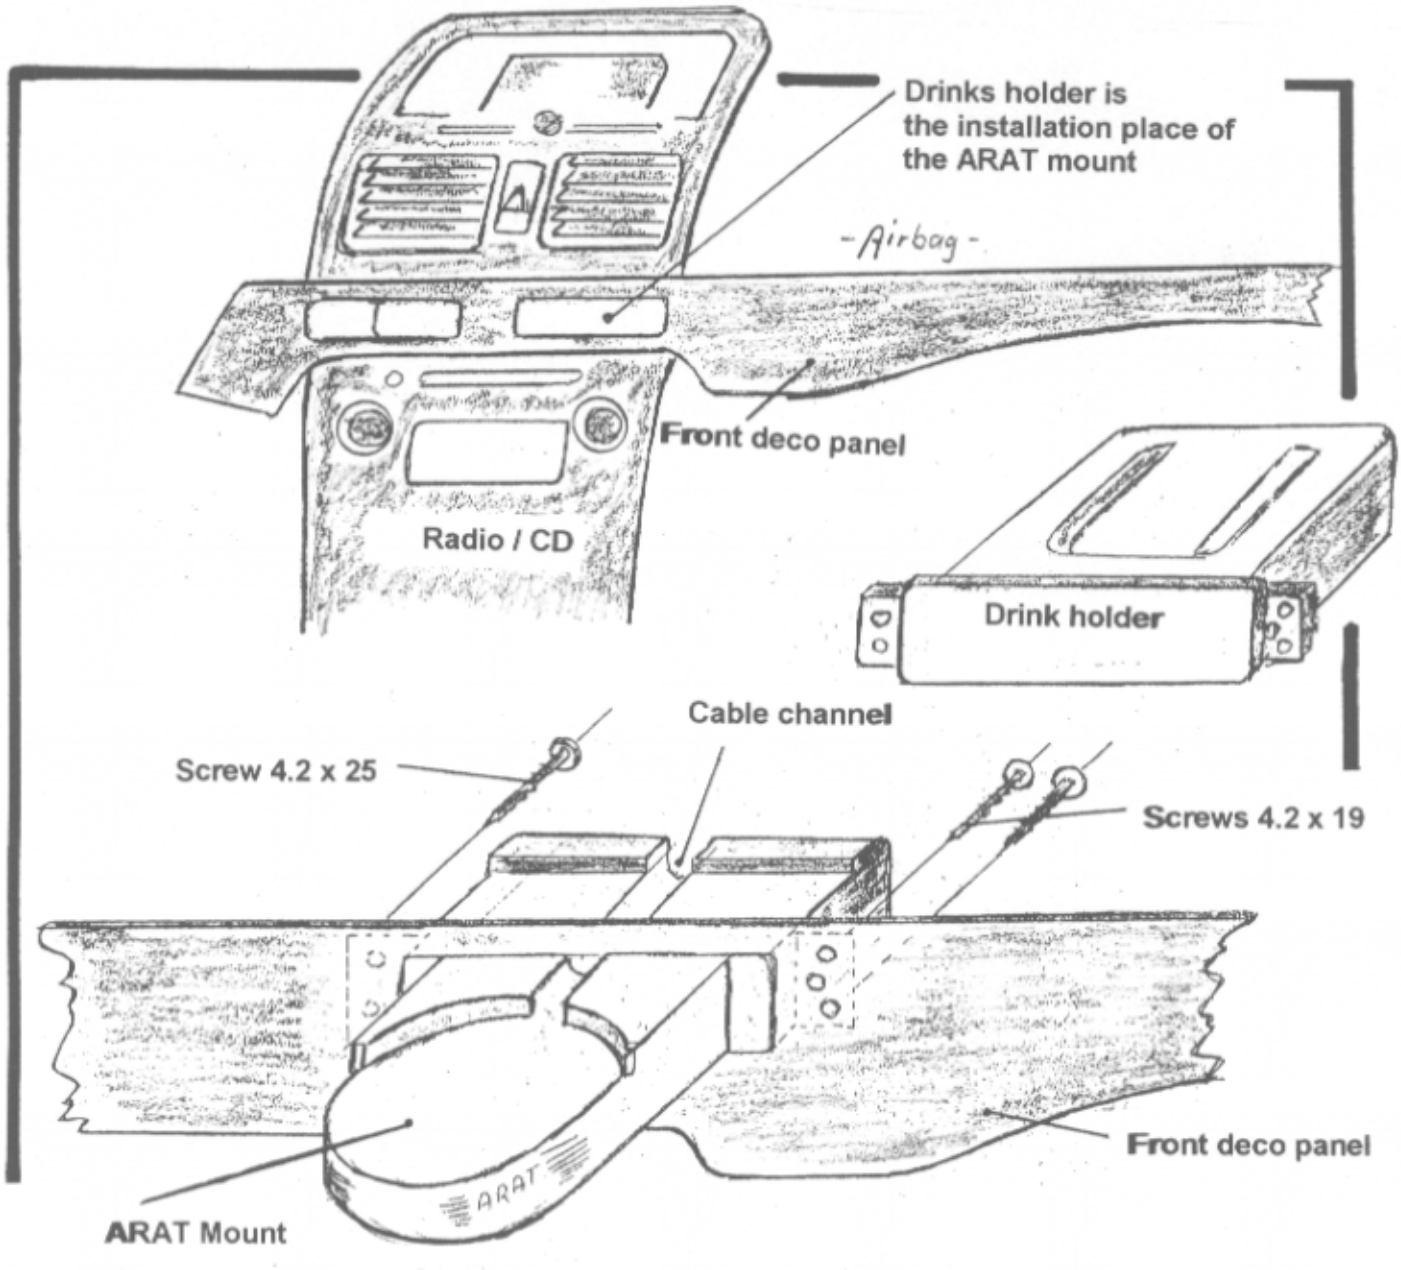
ARAT Navigation mount

Type: Toyota Avensis
Model 2003 onwards

Part No: NS1291.2



Installation instruction

1. Romove the front deco panel (begin at the right hand side)
2. Remove the drinks holder from the front deco panel
3. Slide the ARAT mount from the rear side, into the place where the drinks holder sat, and secure it into place with the supplied screws using the screw holes where the drinks holder was secured
4. Replace the front deco panel complete with the navigation mount

Cable channeling

Place the cable to the display / Monitor in the pre-formed channel of the ARAT mount
